

CANADIAN LAKEHEAD WIRELESS EXPERIMENTERS

October 15th, 1935

A dinner meeting was held in the Y.M.C.A. at 7:30 p.m. with nine members present. After a very nice dinner, the President, P.J. O'Shea, called the meeting to order.

Various matters were discussed including the lack of traffic originating in the two cities, interference by phone and c.w. stations in broadcast sets and break in.

It was moved by R. Godslove that a business meeting be held to discuss the holding of a meeting with the Y.L.S. This was seconded by L. Harris and carried. It was decided the meeting be held on October 27th at 3:00 p.m. at the Y.M.C.A.

Les Harris brought up the matter of a radio course now being held by the 10th Corps. of Signallers in Port Arthur, and invited any of the members who wished to join to come over to the class. He also brought up some correspondence he had received from M. Cavaney dealing with the Legion of Frontiersman.

A letter was read from Mr. O'Shea asking that he be relieved of his duties as President and this matter was held over until the business meeting.

The meeting then adjourned.
